

Seeding our Future: The Farm Bill

SATURDAY, MARCH 31st

9 a.m.— Noon

St Michael Catholic Church

22120 Denmark Ave ♦ Farmington, MN 55024

(see directions below)

This is a chance for urban, suburban and rural people to learn more about the Farm Bill 2007 and how to take action on it.

This legislation only comes up every 5 years.

Now is the time for us to weigh in on this very important bill.

Why is the Farm Bill So Important?

Because it deals with:

Food stamps and nutrition programs

Producer and commodity issues

Conservation Policy

International food production and trade

These are issues important to all of us.
